

Women's Circle of Wishes

The Women's Circle of Wishes is a dedicated group of dynamic women leaders committed to service and support for Make-A-Wish Orange County and the Inland Empire. The members work together to increase awareness and raise funds as our leading support group.

It All Started with a Wish

In 2013, a group of 10 women decided to gather their friends and raise money to grant a wish. On that Sunday afternoon by the harbor, with 98 ladies attending, they raised \$12,000 - enough to grant two wishes at the time! The Women's Circle of Wishes was officially founded, and their annual signature fundraiser, **It's In The Bag**, was established.

What began as a small group quickly blossomed into a vibrant collective of passionate voices. The members of the Women's Circle are leaders in the community -- from the workplace to the playground, dreamers and visionaries, filled with kindness and generosity. Each one has helped restore hope and joy to a wish child. Thanks to their incredible efforts, the Circle has raised more than **\$2.3 million** to help grant the wishes of local children in the community.
