

THE REFERRAL AND WISH PROCESS

WHO CAN REFER A CHILD?

- Medical Professionals such as providers (doctors, nurse practitioners or physician assistants), nurses, social workers or child-life specialists
- Parents or legal guardians
- Family members with detailed knowledge of the child's current medical condition

THE WISH JOURNEY:

- **Step 1** – Referral: Children may be referred by medical professionals, parents/guardians, etc.
- **Step 2** – Eligibility: Children must be between 2½–18, diagnosed with a critical illness, and not have received a prior wish.
- **Step 3** – Discovery: Wish granters meet with each child to uncover their most heartfelt wish.
- **Step 4** – Fulfillment: Every wish is customized, fully covered, and shared with the entire family.
