MORE THAN JUST A HIKE

The Trailblaze Challenge San Diego (TBCSD) is a life-changing endurance experience that challenges participants physically and emotionally, while helping Make-A-Wish San Diego (MAWSD) grant wishes to children with critical illnesses. From January to June, hikers train and fundraise, each committing to raise \$2,500. The journey culminates in a 28-mile, one-day hike in Big Bear, CA.

CELEBRATING 10 YEARS

2026 marks the 10-year anniversary of the TBCSD. In that time, hikers and supporters have raised over \$6.2 million dollars for wishes. We are grateful to the hikers, supporters, and sponsors who have made this event a success and we look forward to celebrating this special milestone.

WHY PARTNER

Being a Trailblaze Challenge San Diego sponsor is more than a typical sponsorship – it's a chance to connect your brand with an incredibly passionate and loyal community.

Extended Recognition	Over six months, participants train and fundraise to meet their goal, giving sponsors extended visibility and exposure throughout the campaign.
Widespread Reach	With nearly 300 hikers and over 6,500 donors from San Diego and beyond, your brand will gain exposure far beyond a single event. This is a powerful, long-term partnership opportunity with real impact.
