

Make-A-Wish®

MASSACHUSETTS AND RHODE ISLAND

Membership in the Wishing Well Society provides the opportunity to directly support making wishes come true, give unrestricted funds, or assist specific programs or initiatives through Make-A-Wish® Massachusetts and Rhode Island. By making a one-time or multi-year pledge at one of the levels listed below, you will help to ensure that every medically eligible wish child in our community experiences the power of a wish.

Our vision is to grant the wish of every eligible child in Massachusetts and Rhode Island. But with **over 600 children** waiting for a wish, we can't do it alone. Your major gift will be transformative for our organization and local children who benefit from wishes granted.

PLANNED GIFTS/BEQUESTS

Donors who name Make-A-Wish Massachusetts and Rhode Island in their estate plans will be recognized as members of The Colleen O'Brien Legacy Society, named after the first child granted a wish by our organization.

Honoring the Wish Journey

The Wishing Well Society logo was designed based on artwork by wish recipient Brianna, diagnosed with intractable epilepsy, whose wish for a swimming pool was granted when she was 13 years old. The well represents the depths of support of our donors and the wishes of the children we serve.

The Wishing Well Society coin is ceremonially given to each wish recipient upon the raising of their star to our Wish Star Galaxy, and to each Wishing Well Society member. This symbolic coin bonds the groups who are forever aligned by the mission of Make-A-Wish Massachusetts and Rhode Island and the lifelong journey of the wish experience.
