Transform Lives Through The Power Of A Wish

Every day, children battling critical illnesses face overwhelming physical and emotional hardships. Lengthy hospital stays, intense treatments, and daunting surgeries take a tremendous toll—both on their bodies and their spirits. But the moment a wish is granted, something extraordinary happens—hope is restored, joy ignites, and healing begins!

A wish is far more than just a dream come true—it's a beacon of light during the darkest times. Whether it's meeting a beloved hero, traveling to a magical destination or having something they longed for, each wish brings profound happiness that nourishes a child's emotional well-being and resilience.

Your generosity fuels these transformational experiences. Every wish granted is a testament to the power of kindness, compassion, and community. You are the reason these life-changing experiences are possible and your impact lasts a lifetime!

Help Us Close The Gap

- Make-A-Wish Wisconsin relies on financial support from caring individual, corporate and foundation donors.
- This year, more than 500 Wisconsin children will be diagnosed with a critical illness.
- The average cost of a wish is \$9,322 in cash expenses, plus \$4,940 in donated goods and services.
- We have seen a 21% increase in qualified wish referrals since implementing a dedicated medical outreach plan.
- More qualified referrals = a greater need for funds.

Meet wish kid Bo

Bo is a sweet & caring 12-year-old who is battling cancer. His life has been consumed with chemotherapy, doctors' visits, hospital walls & taking a wide array of medications to fight for his health.

Bo loves animals, being outside & spending time with his family. When Bo learned that he qualified for a wish, he knew that having a dog would bring him great comfort and irreplaceable companionship during his cancer journey. The comforting presence of therapy dogs at the hospital during his treatments made him realize that his one true wish would be to have his very own Goldendoodle puppy! Bo & his new friend Charlie were able to go on a shopping spree together to gather all the essentials to welcome Charlie into their home. They also received all necessary vaccines, dog training & dog food for a year to make Bo's wish an extra special experience.

*I wish to have
a Goldendoodle
puppy*

Bo, 12
cancer
Gillett, WI

"Thank you so much for making Bo's wish possible. He's said a million times that he can't believe it's true that we got Charlie. It has changed all of us at home and gives us something to look forward to. It was a Make-A-Wish for Bo, but it has helped heal our entire family in the process. Charlie has been amazing and has brought so many smiles to our faces. These smiles are so needed after this year we've had. Charlie will bring us happiness for many years to come!" – Jill, Bo's mom

Charlie has quickly become Bo's constant companion, bringing comfort and a sense of normalcy & renewed happiness to their home, especially during the more challenging days.

Currently, there are more than 450 wishes pending – which means, right now there are hundreds of kids anxiously counting down the days until their life-affirming wishes are granted. **Please join us in support of our spectacular Gourmet Wishes signature event to help make the unknown feel less scary for children, like Bo, and their families.** Your support will help renew their emotional strength, give them transformative joy, and restore hope for a lifetime!
