# Transform Lives Through The Power Of A Wish

Every day, children battling critical illnesses face overwhelming physical and emotional hardships. Lengthy hospital stays, intense treatments, and daunting surgeries take a tremendous toll—both on their bodies and their spirits. But the moment a wish is granted, something extraordinary happens—hope is restored, joy ignites, and healing begins!

A wish is far more than just a dream come true—it's a beacon of light during the darkest times. Whether it's meeting a beloved hero, traveling to a magical destination or having something they longed for, each wish brings profound happiness that nourishes a child's emotional well-being and resilience.

Your generosity fuels these transformational experiences. Every wish granted is a testament to the power of kindness, compassion, and community. You are the reason these life-changing experiences are possible and your impact lasts a lifetime!

## Help Us Close The Gap

- Make-A-Wish Wisconsin relies on financial support from caring individual, corporate and foundation donors.
- This year, more than 500 Wisconsin children will be diagnosed with a critical illness.
- The average cost of a wish is \$9,322 in cash expenses, plus \$4,940 in donated goods and services.
- We have seen a 21% increase in qualified wish referrals since implementing a dedicated medical outreach plan.
- More qualified referrals = a greater need for funds.

## Did You Know?

**99% OF MEDICAL PROVIDERS** say a wish improves a child's – and their own – emotional well-being\*

**95% OF PARENTS** surveyed say their child's wish brought their family closer together\*

**9 OUT OF 10 WISH KIDS** shared that the wish experience relieved them from traumatic stress\*

**9 OUT OF 10 PARENTS** surveyed believe the wish experience is a necessary part of a child's treatment journey\*

\*Make-A-Wish 2022 Wish Impact Study

*"Camille's wish was to have an outdoor playground. We asked for forts, slides and swings to complete her playset! She loves to go 'whhee' and play hide and seek. She's quite the little monkey, so we wanted many options on the playground for her and her siblings to be able to spend countless hours outside. It is so rewarding watching the three of them play together. Having an option for them to play safely right in our backyard is a dream come true! **We are so grateful for the joy this has brought our family; it has truly helped us not feel the total emotional heartbreak of her diagnosis.**" – Missy, Camille's mom*

*I wish  
to have a  
playground*

WISCONSIN

# Meet wish kid Hope

Hope is a sweet 4-year-old from Sheboygan who was born with a critical nervous system disorder. Her life has revolved around scary procedures, numerous doctors, and therapy appointments, as well as extended hospital stays.

Hope loves to be outside and watch her favorite Disney movies! Due to her diagnosis, she has limitations in her abilities to live life as a normal child.

When Hope learned that she would be granted a wish, her family knew that her one true wish is to spend a magical week at the *Walt Disney World® Resort*. Hope loves all things Disney and always watches a Disney movie during her scans & treatments to help her get through them.

Hope and her family traveled to Orlando, Florida where they spent a week in their own private villa at Give Kids the World Village. They received VIP treatment throughout their entire trip both at Give Kids The World and all the Disney theme parks. Special characters tuck children in at night, leave personalized gifts on their beds each day and even carry their lunch trays! At the theme parks they were able to spend one-on-one time with Hope's heroes, including Mickey & Minnie Mouse, and more! From ice cream for breakfast to being a real life princess, Hope & her family will be able to create life-long memories together, far from all the concerns at home revolving around her critical illness.

*"Hope's wish to go to Disney was beyond magical. **Watching her and her siblings make memories filled with love and laughter is all our hearts could ever want.** It was one unforgettable trip filled with nothing but joy, magical memories and TONS of ice cream!!! **We owe our full hearts to Make-A-Wish Wisconsin and to everyone who made this magical wish into one big magical memory for us!**" – Nyra, Hope's mom*

Currently, there are more than 400 wishes pending – which means, right now there are hundreds of kids anxiously counting the days until their life-affirming wishes are granted. **Please join us in support of our spectacular Golf for Wishes presented by Sargento & Masters Gallery Foods to help make the unknown feel less scary for local children like Hope and their families.** Your support will help renew their emotional strength, give them transformational joy, and restore hope for a lifetime!
