Thank you for partnering with Make-A-Wish for Golf for Wishes. A wish is more than a moment. It's more than a trip, a meeting with a beloved hero, or a magical experience. A wish restores something illness tries to take away—hope, joy, and the belief that dreams are still possible.

Right now, 223 children in our community are waiting for their wish. And for 13 of those children, waiting is not an option. These children are facing especially urgent circumstances when every moment matters. A wish offers a powerful spark of hope and light for families navigating an incredibly difficult time.

Your partnership is far more than a foursome or sponsorship. It showcases your philanthropy, amplifies our mission throughout the community, and increases awareness and visibility of the life-changing power of a wish.

When a company brings not only resources, but also heart, energy, and people to a cause, it creates something incredibly powerful that ensures more children experience the joy of a wish come true. Thank you.
