## WHAT IS A WISHMAKER?

A WishMaker is anyone who takes action – big or small – to help make wishes come true for children with critical illnesses.

### That means you!

Whether you share your time, talent, treasure or your voice, every action helps create hope and joy for wish kids.

## WHY WISHMAKERS MATTER

Wishes don't come true by luck; they happen because of people who care. Since Make-A-Wish began in 1980, WishMakers have rallied around wish kids, replacing fear with confidence, sadness with joy and uncertainty with hope.

But the work isn't done. Kids are counting on the next generation of WishMakers – helpers, fundraisers, donors, volunteers, community members and families – to make more wishes possible.

## COLOR, CREATE AND MAKE AN IMPACT

When you sit down to color, you're joining a community that believes every bit of creativity can spark something bigger.

**Scan the QR code above to begin.** Then, upload a picture of you with your finished coloring sheet on the WishMaker Mosaic and help illustrate the power of WishMakers working together. **Every submission adds a little more color, hope, and joy for wish kids.**
