INDEPENDENT AUDITORS' REPORT

Board of Directors
Make-A-Wish Foundation® of New Hampshire
Manchester, New Hampshire

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Make-A-Wish Foundation® of New Hampshire (a nonprofit organization, the Foundation), which comprise the statements of financial position as of August 31, 2025 and 2024, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Make-A-Wish Foundation® of New Hampshire as of August 31, 2025 and 2024, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Make-A-Wish Foundation® of New Hampshire and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Make-A-Wish Foundation® of New Hampshire's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness Make-A-Wish Foundation® of New Hampshire's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Make-A-Wish Foundation® of New Hampshire's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

MAKE-A-WISH FOUNDATION® OF NEW HAMPSHIRE
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2025 AND 2024

NOTE 1 ORGANIZATION

Make-A-Wish Foundation® of New Hampshire (the Foundation) is a New Hampshire nonprofit corporation, organized for the purpose of creating life changing wishes for children with critical illnesses. The Foundation is an independently operating chapter of Make-A-Wish Foundation® of America (National Organization), which develops and implements national programs in public relations and fundraising for the benefit of all local chapters. To be a Make-A-Wish chapter, the local chapter is obligated to comply with a chapter agreement with the National Organization and such guidelines, resolutions, and policies as may be adopted by the National Organization's board of directors.

NOTE 2 PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The financial statements of the Foundation are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP) applicable to nonprofit entities.

Cash and Cash Equivalents

The Foundation considers all highly liquid investments with an original maturity of three months or less when purchased to be cash equivalents.

Investments

Investments are recorded at fair value. Investment income, including gains and losses on investments, is recorded as increases or decreases in net assets without donor restrictions unless its use is limited by donor-imposed restrictions or law.

The Foundation's investments are exposed to various risks, such as interest rate, credit, and overall market volatility. Due to the level of risk associated with certain investments, it is reasonably possible that those changes in the values of investments will occur in the near term and that such changes could be material to the amounts reported in the statements of financial position.

Contributions Receivable

Contributions receivable are unconditional promises to give. Such promises that are expected to be collected within one year are recorded at expected net realizable value when the promise is received. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows. Contributions receivable are discounted using fair value rates and contributions are written off when deemed uncollectible.

MAKE-A-WISH FOUNDATION® OF NEW HAMPSHIRE
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2025 AND 2024

NOTE 2 PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Leases

The Foundation determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets – operating and lease liability – operating, and finance leases are included in right-of-use (ROU) assets – financing and lease liability – financing in the statements of financial position.

ROU assets represent the Foundation's right to use an underlying asset for the lease term and lease liabilities represent the Foundation's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Foundation will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease terms. The Foundation has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right-of-use assets on the statements of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Foundation has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of lease liabilities.

The Foundation has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

Property and Equipment, Net

Property and equipment having a unit cost greater than \$1,000 and a useful life of more than one year are capitalized at cost when purchased. Donated assets are capitalized at the estimated fair value at the date of receipt and restrictions are released once the asset has been placed into service. Depreciation on property and equipment is provided on a straight-line basis over the estimated useful lives of the assets, generally 3 to 10 years. Leasehold improvements are amortized over the shorter of the estimated useful life of the asset or the remaining terms of the lease. The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend its life are expensed as incurred.

Long-lived assets, such as property and equipment, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. If circumstances indicate a long-lived asset may be impaired, the asset value will be reduced to fair value. Fair value is determined through various valuation techniques including quoted market values and third-party independent appraisals, as considered necessary.

MAKE-A-WISH FOUNDATION® OF NEW HAMPSHIRE
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2025 AND 2024

NOTE 2 PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair Value Measurements

Fair value measurements of financial assets and financial liabilities and fair value measurements of nonfinancial items are recognized or disclosed at fair value in the financial statements on a recurring basis. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The Foundation utilizes valuation techniques that maximize the use of observable inputs and minimize the use of unobservable inputs to the extent possible. The Foundation determines fair value based on assumptions that market participants would use in pricing an asset or liability in the principal or most advantageous market. When considering market participant assumptions in fair value measurements, the following fair value hierarchy distinguishes between observable and unobservable inputs, which are categorized in one of the following levels:

Level 1 – Unadjusted quoted prices in active markets for identical assets (or liabilities) that the reporting entity has the ability to access at the measurement date.

Level 2 – Prices for a similar asset (or liability), other than quoted prices included in Level inputs, that are observable for the asset (or liability), either directly or indirectly. If the asset (or liability) has a specified term, a Level 2 input must be observable for substantially the full term of the asset (or liability).

Level 3 – Unobservable inputs for the asset (or liability) used to measure fair value to the extent that observable inputs are not available, thereby allowing for situations in which there is little, if any, market activity for the asset (or liability) at measurement date.

Net Assets

Net assets, revenues, gains, and losses are classified based on the existence or absence of donor- or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as restricted revenue when received and released from restriction when the assets are placed in service. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

MAKE-A-WISH FOUNDATION® OF NEW HAMPSHIRE
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2025 AND 2024

NOTE 2 PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Net Assets (Continued)

Contributions restricted by donors are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Revenue Recognition

Revenue is recognized on the accrual basis and generally consists of contributions, special event revenue, in-kinds and other income.

An internal special event is a fundraising event coordinated and staffed by Foundation personnel rather than a third-party support group or organization. It is designed to attract people for the purpose of raising mission awareness, for increasing funding from existing donors, and the cultivation of future donors.

Special event revenue consists of registrations, sponsorships and other contributions. The exchange element of the special event revenue was approximately \$192,709 and \$198,178 for the years ended August 31, 2025 and 2024, respectively. The portion that is considered to be exchange revenue is recognized as revenue when the performance obligations are met which is the occurrence of the event.

Unconditional promises to give are recognized initially at fair value as contributions revenue in the period such promises are made by donors. Fair value is estimated giving consideration to anticipated future cash receipts (after allowance is made for uncollectible contributions) and discounting such amounts at a risk-adjusted rate commensurate with the duration of the donor's payment plan. Amortization of the discounts is recorded as additional contributions revenue.

Conditional promises to give are not recognized as contribution revenue and receivables until the conditions have been substantially met. For the years ended August 31, 2025 and 2024, there were no conditional promises outstanding.

Contributions of assets other than cash are recorded at their estimated fair value. Contributions of services are recognized if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Wish related travel, goods and other services are used in the wish granting program. The Foundation estimates the fair value of wish related travel, goods, and services on the basis of estimates of the current market rates for similar travel, goods and other services in the Foundation's market.

Donated advertising and media is reported at the estimated fair value as provided by the donor based on rates charged for similar advertising or media. Advertising and media is used for both program and supporting services. Advertising and media is used to help the Foundation communicate its message or mission and includes fund raising materials, informational material, or advertising, and may be in the form of an audio or video tape of a public service announcement, a layout for a newspaper, media time or space for public service announcements, or other purposes.

Property and Equipment items donated consist of computer tablets and were valued using the fair value of these items based on current market rates for similar items in the Foundation's market.

In-kind contributions related to wish granting are restricted to be used in granting wishes. In kind contributions related to special events are restricted for use at those events. No other in-kind contributions were received with donor restrictions.

Income Taxes

The Foundation is a nonprofit organization exempt from federal income and New Hampshire income and franchise taxes under the provisions of Internal Revenue Code (IRC) Section 501(c)(3) and Section RSA77 of the New Hampshire Department of Revenue Administration. However, the Foundation remains subject to income taxes on any net income that is derived from a trade or business, regularly carried on and not in furtherance of the purpose for which it was granted exemption. No income tax provision has been recorded as the net income, if any, from any unrelated trade or business, in the opinion of management, is not material to the financial statements taken as a whole.

Management believes that no uncertain tax positions exist for the Foundation at August 31, 2025 and 2024. The Foundation files income tax returns in the U.S. federal jurisdiction, and applicable state jurisdictions.

NOTE 2 PRINCIPAL ACTIVITY AND SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Functional Expenses

The Foundation performs three functions: wish granting, fundraising, and management and general. Definitions of these functions are as follows:

Wish Granting

Activities performed by the Foundation in granting wishes to children with critical illnesses.

Fundraising

Activities performed by the Foundation to generate funds and/or resources to support its programs and operations. During the fiscal years ended August 31, 2025 and 2024, the Foundation incurred no significant joint costs for activities that include fundraising appeals.

Management and General

All costs not identifiable with a single program or fundraising activity, but indispensable to the conduct of such programs and activities and to the Foundation's existence, are included as management and general expenses. This includes expenses for the overall direction of the Foundation, business management, general recordkeeping, budgeting, financial reporting, and activities relating to these functions such as salaries, rent, supplies, equipment, and other expenses.

Expenses that benefit more than one function of the Foundation are allocated among the functions based generally on the amount of time spent by employees on each function.

Management Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make a number of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 LIQUIDITY AND AVAILABILITY

The Foundation monitors liquidity regularly through the monthly financial package provided to the board and through the enterprise-wide Benchmarks of Excellence. Holding 6 to 24 months of liquidity is considered excellent based off the enterprise-wide published scale.

	<u>2025</u>	<u>2024</u>

Financial Assets Available to Meet Cash		
Needs for General Expenditures Within		
One Year	<u>\$ 4,487,248</u>	<u>\$ 4,111,103</u>

Financial assets include cash and cash equivalents, investments, due from related entities, contributions receivable, and investments held for long-term purposes. For purposes of analyzing resources available to meet general expenditures over one year, the Foundation considers all expenditures related to its ongoing program activities, as well as the functions in support of those activities, to be general expenditures.

NOTE 4 FAIR VALUE MEASUREMENTS

Fair Value of Financial Instruments

Fair value is defined as the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair values of the financial instruments shown in the following tables as of August 31, 2025 and 2024 represent the amounts that would be received to sell those assets or that would be paid to transfer those liabilities in an orderly transaction between market participants at that date. Those fair value measurements maximize the use of observable inputs. However, in situations where there is little, if any, market activity for the asset or liability at the measurement date, the fair value measurement reflects the Foundation's own judgments about the assumptions that market participants would use in pricing the asset or liability. Those judgments are developed by the Foundation based on the best information available in the circumstances, including expected cash flows and appropriately risk-adjusted discount rates, and available observable and unobservable inputs.

Investments

Overall Investment Objective

The overall investment objective of the Foundation is to invest its assets in a prudent manner that will achieve a long-term rate of return sufficient to fund a portion of its annual operating activities and increase investment value after inflation. The Foundation diversifies its investments among various asset classes incorporating multiple strategies and managers. Major investment decisions are authorized by the board's audit and finance committee or the board of directors, which oversees the Foundation's investment program in accordance with established guidelines.

Fair Value Hierarchy (Continued)

For the valuation of the split-interest agreement at August 31, 2025 and 2024, the Foundation used significant unobservable inputs such as present value of expected future amount to be received (Level 3). There were no changes in valuation techniques and related inputs from the prior year.

There are no purchases, sales, transfers in and transfers out of Level 3 investments for both years ended August 31, 2025 and 2024.

NOTE 5 CONTRIBUTIONS RECEIVABLE

Contributions receivable include pledges that have been discounted at rates ranging from 0.79% to 4.46% for both years ended August 31, 2025 and 2024. The following is a summary of the Foundation's contributions receivable at August 31:

NOTE 6 SPLIT-INTEREST AGREEMENT

Beneficial Interest in Net Assets Held by Others

Donors have contributed assets to the National Organization in exchange for a promise by the National Organization to pay a fixed amount for a specified period of time to the donor or to individuals designated by the donor. Under the terms of such agreements, no trust exists, as the assets received are held by and the liability is an obligation of the National Organization. The National Organization records contribution revenue using the fair value of the assets less the present value of the payments expected to be made to the beneficiaries. The Foundation is named as a beneficiary in one of these agreements. Accordingly, temporarily restricted contribution revenue and the related assets are recognized at fair value in the period in which the Foundation received notice that the agreement conveys an unconditional right to receive benefits. Subsequent changes in the value of the underlying assets are recorded in the accompanying statement of activities as the change in value of beneficial interest in assets held by others.

NOTE 7 TRANSACTIONS WITH RELATED ENTITIES

The National Organization conducts national fundraising efforts for which cash and in-kind donations are received and shared with the Foundation. These funds represent revenues associated with: distributions from national partners, individual donation amounts collected via online and white mail donations, amounts for internal grants and other miscellaneous revenues. During the years ended August 31, 2025 and 2024, respectively, the Foundation received \$310,637 and \$260,053 from these national revenue streams.

Conversely, the Foundation pays amounts to the National Organization for chapter dues, insurance, and other miscellaneous ancillary expenses that the National Organization pays on behalf of the Foundation and for services provided by the National Organization. Amount totaling \$256,538 and \$230,906 were paid from the Foundation to the National Organization during the years ended August 31, 2025 and 2024, respectively.

Chapters who assist with the organization and granting of wishes from other chapters are paid a “fee for service” called the wish assist fee. Under this program, the originating chapter agrees to pay a fee to the chapter of the wish destination to assist with any planning, booking, and facilitating of the wish for the home chapter. Under this program, the Foundation received \$750 and \$300, respectively, for the years ended August 31, 2025 and 2024, which is recorded in the accompanying statements of activities as Other Income.

Amounts due from and to related entities are as follows at August 31:

	2025	2024
Due from National Organization	\$ 43,255	\$ 46,157
Due from Other Chapters	3,928	290
Total Due from Related Entities	<u>\$ 47,183</u>	<u>\$ 46,447</u>

Due to Other Chapters	4,469	12,506
Total Due to Related Entities	<u>\$ 30,346</u>	<u>\$ 20,526</u>

Amounts due from the National Organization represent contributions remitted to the National Organization that are identified for the Foundation’s use but were not yet transferred to the Foundation as of year-end. Amounts due from other chapters represent amounts paid in assisting other chapters with their wish granting. Amounts due to other chapters represent amounts owed to other chapters who have assisted in the granting of wishes for the Foundation. Amounts due to the National Organization generally represent unpaid chapter dues and services.

NOTE 11 RETIREMENT PLAN

The Foundation has a defined contribution retirement plan (the Plan). Employees are eligible for participation in the Plan after reaching 21 years of age and upon completion of six months of service. Under the provisions of the Plan, eligible employees may elect to defer a percentage of their salary subject to certain IRC limitations. The Foundation matches employee contributions up to \$5,000 per plan year. Foundation contributions to the Plan for the years ended August 31, 2025 and 2024 were \$30,812 and \$26,300, respectively.

NOTE 12 CONCENTRATIONS

Financial instruments that potentially subject the Foundation to concentration of credit risk consist principally of cash, cash equivalents, and investments. Deposits at each financial institution are insured in limited amounts by the Federal Deposit Insurance Corporation (FDIC). The Foundation's cash and investments were placed with high credit quality financial institutions, and accordingly, the Foundation does not expect to experience nonperformance.

NOTE 13 LITIGATION AND CLAIMS

The Foundation is periodically involved in litigation and claims arising in the ordinary course of business. In the opinion of management, there is no pending litigation that would have a material adverse effect on the Foundation's financial position, change in net assets, or liquidity.

MAKE-A-WISH FOUNDATION® OF NEW HAMPSHIRE
NOTES TO FINANCIAL STATEMENTS
AUGUST 31, 2025 AND 2024

NOTE 14 COMMITMENTS

The goal of the Foundation is to grant the wish of every eligible child. During the years ended August 31, 2025 and 2024, the Foundation granted 100 and 97 wishes, respectively. As of August 31, 2025 and 2024, respectively, there were approximately 77 and 115 wish children who are eligible for a wish. The average cost of a wish for the year ended August 31, 2025 was \$11,596 in cash and \$5,358 in in-kind for a total cost of \$16,954. The average cost of a wish for the year ended August 31, 2024 was \$11,664 in cash and \$4,727 in in-kind for a total cost of \$16,391.

NOTE 15 EMPLOYEE RETENTION CREDIT

Grants from the government are recognized when all conditions of such grants are fulfilled or there is reasonable assurance that they will be fulfilled. During the year ended August 31, 2025 the Foundation applied for Employee Retention Credit (ERC) grant funding from the Internal Revenue Service. The Foundation recognized \$135,223 of grant revenue related to performance requirements being met in compliance with the program during the year ended August 31, 2025. There was no ERC grant revenue recognized for the year ended August 31, 2024.

Eligibility and conditions for the ERC program may be audited by the Internal Revenue Service. The amount of liability, if any, from potential noncompliance cannot be determined with certainty; management is of the opinion that any audit will not have a material adverse impact on the Foundation's financial position.

NOTE 16 SUBSEQUENT EVENTS

The Foundation has evaluated subsequent events from the statement of financial position date through March 18, 2026, the date at which the financial statements were available to be issued.
