This summer, we aim to grant 80 wishes—and your support helps make that possible. From dream vacations to meaningful moments closer to home, each wish creates lasting memories for children and their families.

Summer is a season of fun and family memories, but for many local wish kids, the fight against critical illness doesn't pause. Right now, children in our community are waiting for wishes that bring hope, joy, and a chance to simply be kids again.

Sponsor today and bring hope to local children and families this Summer!

Put simply, we believe a single wish transforms lives.
