

Student WishMakers: Rally Together. Grant Wishes.™

Student WishMakers is a nationwide youth fundraising movement powered by Make-A-Wish®. Students everywhere are raising funds and rallying their communities to help grant life-changing wishes for children with critical illnesses.

Whether you're organizing a school fundraiser, bringing classmates together or hosting a Wish Week® in your community, every action helps make wishes possible.

★ WHO

You! Students of all ages can take action. Partner with your school, sports team, youth group and beyond to help bring wishes to life.

★ WHAT

Raise essential funds for wish kids. Brainstorm fundraising ideas, create action plans and engage your community. There's no single way to participate – just your unique way to make an impact.

★ WHEN

Anytime. First, determine what your fundraiser will be, and then determine the optimal time to host it.

★ WHERE

From the soccer field to the school cafeteria – your fundraisers can be held anywhere.

★ WHY

Your fundraiser supports our vision: to grant the wish of every eligible child. Every day, an average of 73 children are diagnosed with a critical illness – and every one of them needs the hope and strength a wish can bring.

When you become a Student WishMaker, you're helping grant wishes while bringing your school or community together around something bigger than yourselves.
