Make-A-Wish®

TEXAS GULF COAST AND LOUISIANA

Together, we create life-changing wishes for children with critical illnesses. Since our inception in 1984, Make-A-Wish Texas Gulf Coast and Louisiana has provided transformational wishes to more than 12,200 children.

Wishes are not just a single moment in time, but a transformative experience created specifically for each wish child. Your support will share the power of a wish with local children battling critical illnesses.

In just four years, Builders of Hope has helped grant 33 wishes for playhouses, treehouses, customized playsets, restroom makeovers and more! Creating a remarkable cumulative impact of \$1.19 million!

Builders of Hope Committee

During the pandemic, the chapter saw a significant rise in wishes for home-based experiences like playsets and room makeovers. In response, Make-A-Wish launched a construction and design industry initiative to bring together leaders and companies to provide expertise/knowledge, resources and monetary and in-kind support to fulfill our mission.

The Builders of Hope Committee has completed over 33 wishes and contributed more than \$1.2M in impact in just five years. This is only the beginning. Make-A-Wish has a goal to continue to grow Builders of Hope until we can make our vision a reality and grant the wish of every eligible child.
